Hi Alana,

Thank you for your note! I just wanted to verify the scheduling form was attached to your email? The

ED_005172C_00000882-00002

only attachment I was able to see was the letter ASA recently sent to the Administrator. Apologies if there was another attachment I was unable to access, but just wanted to verify.

Thank you!

Kyle

Good Afternoon Carrie, Derrick,

Please find attached a letter from ASA to Administrator Wheeler regarding EPA's timeline for a new conditional registration decision for dicamba products. Please do not hesitate to let me know if you have questions regarding the correspondence.

Additionally, ASA would like to request a virtual meeting or call with Administrator Wheeler regarding the registration decision sometime soon. ASA would have both our grower leaders and staff attend the meeting. Please let me know what the process would entail for requesting this meeting or call.

Best,

Kyle
